

# MASTER SPECIES LIST

This is a map of Lan Su's planting beds, as seen from above. Each planting bed is numbered and corresponds to the attached species list. As you stand facing the bed, the plants are listed from left to right. For further reference, each plant has been given the following code based on its type/growth habit:

G = Groundcover S = Shrub T = Tree V = Vine H = Herbaceous Perennial B = Bamboo

# MASTER SPECIES LIST

## (alphabetical)

This is an alphabetical listing by botanical name of Lan Su's plant collection.

Each planting bed is numbered and corresponds to the attached species list. In most cases, as you stand facing the bed, the plants are listed from left to right.

For further reference, each plant has been given the following code based on its type/growth habit:

- G = Groundcover
- S = Shrub
- T = Tree
- V = Vine
- H = Herbaceous Perennial
- B = Bamboo
